Matt Myrvold
MVM Contracting Inc.
PO Box 375
Fargo, ND 58107

Re: Letter of reference.

To whom it may concern:

It is with great confidence that I put forward this recommendation of MVM Contracting Inc. and its President Matt Myrvold. Fargo Xcel Energy Service Center has worked with MVM for the last few years on dozens of projects. These projects were related to the installation of Gas and Electric Distribution facilities. MVM Contracting primary responsibility on these projects was to provide Xcel Energy with directional boring services for the installation of gas and electric service lines and mainlines. The integrity and commitment that MVM provided Xcel Energy is why I am recommending them. What you can expect from MVM Contracting is a streamlined, honest process built upon open communication and thorough industry knowledge that dramatically simplifies the construction process. They are a partner to be relied upon from the start of a project.

Working with Matt has been very gratifying from planning the work to be done on projects through getting update and meeting our deadlines. Their organization has been professional and reliable when it comes to the type of services they have provided. We look forward to our continual relationship. I welcome any specific inquiries to support my recommendation of MVM Contracting Inc.

Sincerely,

Ron Jablinske
Operations Manager
Xcel Energy
